There are two bus routes, #2 and #4, which will take you from a bus stop near the Student Dormitory to the Hotel President bus stop.

First, you will want to go to the Osiedle Kopernika (132) bus stop, which is right next to the Student Dormitory, walking there should take you around two minutes.

From this bus stop, you can get on the buses which operate the routes #2 and #4. You can check at what time the buses will be arriving and departing the bus stop at these corresponding links:

#2: <https://rozklady.bielsko.pl/#stop/132/2/RT-P/>

#4: <https://rozklady.bielsko.pl/#stop/132/4/RT-P/>

Once you are one of these buses, you will want to stay on them until you reach the stop Hotel Prezydent bus stop (4). This trip should take you around 14 minutes.

Congratulations, you have arrived at the Hotel Prezydent bus stop. Once you have arrived there, from the same bus stop you will want to wait until the bus #8 comes, which will take you to the karbowa parking bus stop (602), which is the closest bus stop to the Szyndzielnia.

You can check at what times the #8 bus stop will arrive here:

This is what the route will look like. The karbowa parking bus stop is the 2<sup>nd</sup> last bus stop of the #8 route, so please remember to get off there.

Now that you know, you can get there! Have a nice and safe trip, we hope you enjoy it!
